From the principal

William Farnsworth

Dear Parents and/or Guardians,

We want to thank and recognize all the winter coaches and athletes for their successful seasons. The following link provides the benefits of high school students participating in high schools athletics. With spring sports just around the corner we want to encourage all our students to get involved.

With graduation nearing, this is a special time of year for our seniors and their families. Congratulations to all of you for all your hard work and dedication over the years. There are a wide variety of senior activities we look forward to you participating in. As your senior begins planning for their post-secondary options, please do not hesitate to contact us if we can assist you

Thank you to the many parent volunteers working to present Marysville High School's Annual Senior All Night Party following the Senior Prom. Many volunteer hours of planning and preparation go into this event that benefits our students greatly.

During the spring, we proctor several end of the school year state standardized tests to our students. The following link provides tips for parents to help your child.

Please feel free to contact us if you have any questions or concerns we can help you with at wfarnsworth@marysvilleschools.us or 810-455-6030.

Respectfully,

Bill Farnsworth,
Principal
