

FALL ART HOP

FRIDAY, OCT. 13, 2023

4 - 8 pm

What's the Art Hop? How can my child participate?

The Blue Water Art Hop is when local artists turn downtown Port Huron storefronts into art galleries Oct. 13. This year Marysville students are invited to participate in the Fall Art Hop! To enter a child may create an original piece of artwork **for this year's theme: MICHIGAN ART. Items can be no larger than can be placed on a 16 x 16 inch base.** Projects are completed at home using any materials and turned in to the art room by Fri. Oct. 6, 2023. Art pieces will be displayed and compete at the **Megan Simmons State Farm Insurance Agency** located at 203 Huron Ave. Each selected artist will have their art on display and compete for "tips" in their collection cup. The child (K-5) with the most collected donations wins a pizza party for their class and the honor of being the student artist winner! **This year the collected "tips" will be donated to our local non-profit charity the Marysville Lions Club.** Projects will be returned after a reception. Let the crazy creative art making begin! Go Michigan!
