

# SCHOOL-WIDE BOOK SWAP!

Hello Families!

To celebrate March is Reading Month this year, we will have a school-wide book swap! Please send in two (2) gently used children's books or novels that are appropriate for students K-5. Each student that brings in two books will be able to "shop" for two new-to-you books! Families may donate more than two books, but students will only be able to swap for two new books.

Please have your books turned in by **March 3rd** to your child's teacher. Our book swap will take place during school hours in March.
