2020-21 BOARD OF EDUCATION GOALS

**1. SCHOOL SAFETY**
In lieu of the COVID-19 global pandemic, the District will enhance the safety and security of its schools.

**2. STUDENT ACHIEVEMENT**
MPS will improve students’ achievement and continue its progress towards closing the achievement gaps in the content areas.

**3. SCHOOL SUPPORTS**
MPS will reach every learner equitably through the Professional Learning Communities (PLC) and Multi-Tiered System of Supports (MTSS) processes.

**4. PROFESSIONAL DEVELOPMENT**
MPS will offer meaningful professional development opportunities to all staff, with the intention of enhancing classroom instruction and advancing student learning.

**5. FINANCIAL STABILITY**
MPS will prioritize its financial resources, so that it maintains a positive fund equity for the District.

2020-21 STRATEGIC PLAN
The following plan provides objectives and strategies to meet the goals set by the Board of Education.

**STANDARDS**
MPS will take an integrated and aligned approach to curriculum, assessment, instruction, and professional development. This means MPS will:

**TEACHING**
Every student deserves an excellent teacher in all subjects, each year. To accomplish this, MPS will ensure that:

**SCHOOL DESIGN**
For MPS to continue to outperform its competitors in the Blue Water Area and beyond, we:

**LEADERSHIP**
If we want great schools in MPS, we need great school leaders; consequently:

**FUNDING**
MPS will equitably distribute its fiscal resources to all schools. This means:

**SCHOOL SUPPORT**
MPS will improve its efficiency and effectiveness. As a result:

**PARTNERS**
Our students’ needs don’t begin or end at the schoolhouse door. Thus, the District will:

**CURRICULUM**
Align its curriculum with local, state, and national standards in content areas where they have been adopted.

**ASSESSMENTS**
Regularly assess students’ progress using formative, interim, or summative assessments, and use this data to improve/drive instruction.

**PROFESSIONAL DEVELOPMENT**
Effectively target professional development where it is most needed.

**RESOURCES**
Provide staff with rigorous and coherent curricula, instructional resources, and assessments.
