Thursday, April 29, 2020

Dear Marysville Parents,

Please take a moment to review the following communication; there is some important information for families to know in today's update.

Class of 2020

MHS is targeting late May or early June to get things out to our senior class (i.e., caps/gowns, yearbooks, announcements, etc.). There are still some decisions that need to be made involving commencements, prom, and the all-night party. Basically, high schools around the state are temporarily delaying these types of events until further guidance is provided by the governor's office on when and if we will be allowed to have large group gatherings. For now, the District will continue to keep you posted as we move forward.

National Teacher Appreciation Month

Sound the Marysville [Gjallarhorn](#)! MPS invites students and community members to help highlight the District's incredible teachers and show their gratitude to those educators who've positively impacted them. To do this, the District is asking for submissions to recognize and thank a specific teacher for his or her impact. Please visit the following link to submit commentaries: <https://forms.gle/RSfdCSCxLnV7g5x9>. Submissions will be posted to the District's social media accounts throughout the month of May.

Food Distribution

The District remains committed to providing "grab-and-go" meals to students age 18 and under. Grab-and-go meals will include both breakfast and lunch items for the week (Monday thru Friday). So that the food service department can anticipate the number of meals to prepare, please fill out the following survey <https://forms.gle/9vaHDdbBHPgubbvV9>. All meals will be made available for pickup in the bus loop behind Marysville High School from 11:00 AM thru 1:00 PM on the following dates:

- Wednesday, May 6, 2020
- Wednesday, May 13, 2020
- Wednesday, May 20, 2020

Device Repairs

If your child(ren)'s MPS issued Chromebook or iPad device needs repair, you may drop it off at your child(ren)'s school office on Mondays from 9:00-11:00 AM. Due to current pandemic safety protocols, it will take 11 days for the device(s) to be repaired and returned. In the meantime, a "loaner" device may be issued (if any are available).

Questions, Comments, or Concerns

If you have any questions, comments, or concerns, please feel free to contact your child(ren)'s teacher(s) or building principal(s); we will do our best to respond within 24-hours.

As always, thank you. The District cannot express enough appreciation and gratitude for you working with us during these unprecedented times; together, we're [#1MARYSVILLE](#)!

Sincerely,

Shawn K. Wightman, Ed.D.
