Friday, May 29, 2020

Dear Marysville Parents,

Please take a moment to review the following District communication.

**Credit Recovery**

Due to the unusual circumstances this school year, Marysville High School will be offering FREE Credit Recovery courses to our currently enrolled students. All courses are scheduled to begin on Monday, June 15 2020 and conclude on Friday, August 21, 2020. For more information or to register, please contact MHS counselors Todd Robinson at [trobinson@marysvilleschools.us](mailto:trobinson@marysvilleschools.us) or Holly Price at [hprice@marysvilleschools.us](mailto:hprice@marysvilleschools.us). The deadline for all registrations is Friday, June 12, 2020.

**Personal Belongings**

Building principals are in the process of developing schedules for parents and students to gather their personal belongings and return learning materials (i.e., textbooks, Chromebooks, Wi-Fi hotspots, etc.) to buildings before the District breaks for summer. These schedules will be communicated to all families sometime next week. Additionally, the District highly recommends that everyone wear personal protective equipment (i.e., face masks, gloves, etc.) and practice social distancing from one another at all times during these visits.

**Food Distribution**

The District remains committed to providing "grab-and-go" meals to students age 18 and under. Grab-and-go meals will include both breakfast and lunch items for the week (Monday thru Friday). So that the food service department can anticipate the number of meals to prepare, please fill out the following survey <https://forms.gle/vadRbfSvcSL3QxpA8>. All meals will be made available for pickup in the bus loop behind Marysville High School from 11:00 AM thru 1:00 PM on the following dates:

- Wednesday, June 3, 2020
- Wednesday, June 10, 2020

**Device Repairs**

If your child(ren)'s MPS issued Chromebook or iPad device needs repair, you may drop it off at your child(ren)'s school office on Mondays from 9:00-11:00 AM. Due to current pandemic safety protocols, it will take 11 days for the device(s) to be repaired and returned. In the meantime, a "loaner" device may be issued (if any are available).

**Questions, Comments, or Concerns**

If you have any questions, comments, or concerns, please feel free to contact your child(ren)'s teacher(s) or building principal(s); we will do our best to respond within 24-hours.

As always, thank you for your continuous support throughout this difficult time; together we are [#1MARYSVILLE!](#)

Sincerely,

**Shawn K. Wightman**, Ed.D.  
SUPERINTENDENT  
Marysville Public Schools
