

Art II

Course Description

Students are required to successfully complete Art I prior to enrolling in Art II. This course is open to students in grades 9, 10, 11, and 12.

This semester intermediate course focuses on three units of study; drawing, painting, and three-dimensional design. Students will continue to explore various visual art forms and techniques through the elements and principles of art and design. Students will continue to build and apply their skills, knowledge, and methodology to a variety of media through instructional activities that will develop and shape their visual arts foundation.

The option to build an individual art portfolio will be emphasized in students' senior year.
