

Gardens Elementary School Supply List 2021/2022

Dear Parents - We receive requests each year concerning the types of school supplies that are needed. While it is the responsibility of our district to provide your child with their learning materials, some parents have a desire to have their child(ren) bring their own school supplies to school. Below is a general list of these items, provided before school begins, to take advantage of summer back-to-school sales. Gardens, through generous corporate donations, has backpacks and school supplies on hand for those in need - just contact the office. Also, some teachers may have individual requests specific to their curriculum and classrooms, they will communicate these items once school has begun.

Sincerely, Becky Biedermann - Principal
