Dear Marysville Parents,

Families often become frustrated when they attempt to communicate with school administrators and Board members to resolve issues of concern. In order to prevent this frustration, individuals are encouraged to use the below *Chain of Command* to initiate the appropriate communication sequence regarding their problems or concerns.

Each situation must first be addressed at whatever level the initial action was taken with the goal to resolve it at that level. If the situation is not resolved to the satisfaction of the complainant(s), appeals are then moved forward to the next level in the *Chain of Command*.

The most effective way to begin is via email; so as to provide everyone with written documentation of the issue; a phone call to the appropriate contact is the next preferable way. However, either of these communication methods may end up in a face-to-face meeting.

The Marysville Public Schools District asks that you address any issues of concern by first contacting each of those in the order listed below. In each case, explain your concern(s), share your thoughts, and allow the individual involved to reply in a reasonable time frame before you take your concern(s) to the next level in the *Chain of Command*.

## **ACADEMICS**

### **BOOKS AND FEES**

A \$10 book deposit and a \$1 activity fee will be charged to all students at the beginning of each year. Students may borrow books from the bookstore at the beginning of each semester. Students are responsible to maintain their assigned books in good condition and to return the same book at the end of the course. Chrome book fees will be charged as determined by the Marysville Technology Department and MHS administration.

Books (including bar-codes) lost, damaged, or stolen must be paid for by the student to whom they were issued. The \$10 book deposit will be forfeited if a student fails to personally return his/her books. The \$10 book deposit fee will be returned to the student at the end of the school year only if the books are returned in good condition.

### **ACADEMIC REPORT TO PARENTS**

**Report Cards** will be mailed at the end of each semester. Marking period grades are available electronically. The final grade for the semester is the official grade that goes on the high school record and transcript. The final grade is determined by averaging the three six-week grades; each marking period grade is worth 30 percent and the final exam is worth 10%. Parents may contact high school faculty via their email addresses and/or by phone.

### **TOP 25**

The "Top 25" students completing the Michigan MERIT curriculum will be recognized during senior activities. This is based on the first seven semesters.

### **PARENT CONFERENCES**

All parents are invited and encouraged to visit the High School, taking advantage of the opportunity to talk with teachers, counselors and administrators. In addition, parents or teachers may request a conference at any time during the school year. Parents may also contact high school faculty via their email addresses and/or by telephone.

### **GRADE POINT AVERAGES AND CLASS RANK STATUS**

Grade Point Averages (GPA) will be determined, by the chart listed below.

Grade	Criteria		
A+	98%	100%	4.334
A	93	97	4.000
A-	90	92	3.666
B+	87	89	3.334
B	83	86	3.000
B-	80	82	2.666
C+	77	79	2.334
C	73	76	2.000
C-	70	72	1.666
D+	67	69	1.334
D	63	66	1.000
D-	60	62	0.666
E		59	000

Final Semester Grades will be determined by averaging the percentage (0-100) grades from the three marking periods and Final Exam. Each marking period is worth 30% of the Final Grade and the Final Exam is worth 10%. Each marking period is approximately six weeks in length. Any grade reduction received from our attendance policy will be applied to the marking period grade. The rank status for graduating seniors will be based upon 7 semesters.

### **ADVANCED PLACEMENT CLASSES**

Students who take and pass Advanced Placement Courses will receive MERIT Credit. The value of the MERIT Credit is 1.0 added to the final semester grade.

## PERSONAL CURRICULUM

For information regarding Personal Curriculum, please go to the Marysville High School Website or the Michigan Department of Education Web Site reference Personal Curriculums.

## INCOMPLETE GRADES

Students will have six weeks to make up incomplete final grades on their report cards. It is the student's responsibility to contact the teacher to make arrangements to eliminate the incomplete grade. Please note the following:

1. Students have six weeks from the date of the incomplete to meet the expectation(s).
2. If, after six weeks, a student has not met the expectation(s), the following will occur:
  - A. The permanent grade will be calculated without the missing work.

## Graduation Requirements

Only those students who have completed graduation requirements, to include 11<sup>th</sup> Grade State Tests, and are recommended by the principal and faculty, shall be graduated by Marysville High School (general school laws apply). Students may earn a Certificate of Completion through recommendation of the IEP team and completion of their IEP goals and objectives. A successful attainment of a Certificate of Completion allows the student to participate in all graduation activities.

Seniors are eligible to graduate during scheduled Commencement ceremonies only if they have acquired the number of credits and the required types of credit taken. Additionally, for seniors to be able to participate in Graduation ceremonies, the following minimum requirements must be met: enrolled at M.H.S. and qualify for diploma. Seniors will not be allowed to participate in any Cap & Gown Senior Activities unless their graduation credits and expectations have been met. The last day seniors are in attendance, as established by the high school principal, will be considered the cutoff date for final senior pass/fail status.

A minimum of 22 credits must be completed to qualify for graduation. They must be distributed in the following manner:

## NATIONAL HONOR SOCIETY

The National Honor Society is composed of those students who are selected for their: scholarship, character, leadership and service. They are endorsed by instructional staff, counselors and administrators, and inducted into the N.H.S. each spring. To be eligible for membership in the Marysville Chapter of the N.H.S., a student must be a sophomore, junior, or senior: have a 3.50 grade point average, or above, and be in attendance at Marysville High School for one (1) full semester.

During second semester of each school year all students, sophomore and above, with a 3.5 cumulative grade point average will be invited to apply for membership in the Marysville Chapter of the National Honor Society. A portfolio representing all of their accomplishments must be submitted as well as a student activities sheet that lists activities in four areas: Co-curricular Activities, Leadership, Service, and Work Experience/Recognition/Awards. At a staff meeting all teachers will rate the students that they know in the following three areas: Character, Leadership, and Service. The ratings will be reviewed by the N.H.S. Executive Faculty Council to determine membership.

\*Complete N.H.S. guidelines may be obtained by contacting the respective N.H.S. advisors.

- B. Awards vary each year:
1. At the end of the first year eligible students will receive a certificate.

  3. At the end of the third year eligible students will receive a medal of the "Lamp of Learning"
  4. At the end of the fourth year eligible students will receive an Academic Award. Fourth year status is based upon the grades of seven semesters plus midterm grades of the eighth semester.
  5. The awards will be handed out during a presentation in early Fall for sophomores, juniors and seniors. Additional senior awards will be made at the annual Honors Assembly in late May or June.

## DUAL ENROLLMENT

## SPECIAL PROGRAMS

During the course of four years many of our students will participate in the following programs.

### **Educational Development Plans**

Students at M.H.S. will explore potential careers through a series of activities and topics in grades 8-12. The Social Studies Department supplements their content with interest surveys, aptitude tests, job outlook information, educational opportunities, and other School-to-Work activities. The career awareness and exploration activities and topics attempt to connect the academic curriculum with the employability skills and expectations needed by workers in the next century. With an *Educational Development Plan* (EDP), students, their parents and counselors may begin planning a four year sequence of course work and activities that will meet the student's post-secondary and career goals.

## **Junior and Senior Special Programs**

The following programs are available to juniors and seniors. Freshmen and sophomores should fulfill all requirements so they may enter a program their junior year if they desire.

### **St. Clair TEC**

The St. Clair TEC is an option available to 11th or 12th grade students.

M.H.S. students who attend TEC are expected to abide by the rules of both TEC and M.H.S. The high school administration reserves the right to assign or remove students from TEC. Classes passed at TEC provide credit towards graduation from M.H.S.

M.H.S. provides transportation to and from TEC. Students may sign up for TEC in the Counseling Office. Student enrollment at TEC is based on the following criteria: attendance, teacher recommendations, age (16 years or older), grade in school, program desired, academic achievement, and past school performance.

### **Adult Education**

Students who are lacking the necessary credits toward graduation must comply with the Marysville Board of Education requirements for acquiring credits which may be used towards your high school diploma.

### **M.H.S. Viking Academic Center (VAC)**

The VAC will assist students who need academic support. The center will also be available for test reading, coaching (defining words used in questions, etc.), use of notes, open book, use of calculators/student guides, and homework assistance. A quiet work area with minimal distractions will be provided so that assignments may be completed.

### **PLAGIARISM**

Students at M.H.S. are encouraged to think independently and complete their own work. Plagiarism is defined as taking ideas, writings, or direct quotes from another and passing them off as one's own work. Students whose assignments are plagiarized shall fail the assignment and may fail the marking period in which such plagiarism is discovered.

### **Marysville High School Learn On Program**

MHS students can request to participate in the program in writing by emailing the Counseling Department at [hprice@marysvilleschools.us](mailto:hprice@marysvilleschools.us) or [trobenson@marysvilleschools.us](mailto:trobenson@marysvilleschools.us) during the registration window in March of prior school year for 1<sup>st</sup> semester classes.

If approved, students will be given a link to OLAT, an online learning assessment tool which requires 4-5 hours of instruction and a due date for completion.

Once the OLAT is completed successfully, students will select a course for the fall semester.

Parents are required to sign and complete the "Learn On Parent Agreement".

Students will receive one release hour for each on line course. The release hours must be 1<sup>st</sup> and/or 7<sup>th</sup> hour. Learn On Courses are completed exclusively from home; students are not permitted on MHS property during their scheduled "Learn On" hour. (Please refer to the Parent Agreement).

Students interested in a 2<sup>nd</sup> semester class must apply during the registration window in November prior to the start of the 2<sup>nd</sup> semester.

## **STUDENT BEHAVIOR**

### **ATTENDANCE POLICY**

**The purpose of a school attendance policy is to encourage outstanding attendance among all students. Attendance rules have been developed to reduce/prevent chronic absenteeism. The U.S. Department of Education defines chronic absenteeism as missing at least 10% of days in a school year for any reason, including excused and unexcused.**

Regular attendance is an integral part of a student's total education. All students should attend school regularly. Regular attendance will allow students to keep up academically, since classroom instruction and the presentation of materials by teachers in all classes takes place in an orderly, sequential manner. In addition to missing class time, students will also miss valuable time to interact with both teachers and other students if they do not attend school regularly. The chance to hear and participate in class instruction, discussion and other related learning experiences cannot be replaced.

### **Absent From School**

The parent or guardian of a student who is absent/tardy from school must telephone Student Services (364-7161), answering machine available 24 hours a day) by 3:00 p.m. the following day. Any absences/tardies not excused by the 3:00 p.m. deadline will be marked unexcused.

Absent students may request homework assignments by contacting Student Services at 364-7161. A one-day notice or an early morning 8:00 a.m. call is required. Homework can also be retrieved from the class website.

### **Leaving School**

No student shall **enter or leave** school during the day without first obtaining permission and checking in with Student Services. Students will be excused to leave school only after parent or administrator's permission has been granted. This also includes leaving campus between classes. Not following the proper procedure will result in the absence being recorded as unexcused. If you arrive tardy, but prior to the 10 minute absent period, students are to go directly to their first hour class.

### **Notification of Absence**

If a student is going to be absent, a parent/guardian must contact the school attendance line and provide explanation. If prior contact is not possible, the parent should provide a written excuse as soon as possible. When no excuse is provided, the absence will be unexcused and the student will be considered truant.

### **Student Absences**

There are two types of absences: excused and unexcused. The administration reserves the right to determine what is an excused or unexcused absence or tardy for school purposes. Excused absences include but are not limited to illness (verification from a doctor may be required), death in the family, family emergency, or situations beyond the control of the student. All other absences are considered unexcused. Pre-arranged excused absences must be approved by the principal or their designee.

In the event of any absence, the student's parent or guardian is required to call the school to explain the reason for the absence. If a call has not been made by 2:00 p.m. on the day of the student's absence, an automated system will call home to notify of the absence.

The school may require documentation explaining the reason for the student's absence. The following absences will be exempt from the student's absence total; school-sanctioned absences (field trip, team competition, out-of-school suspensions, etc.), funerals, court appearances or legal proceedings when documentation is submitted, and approved college trips that can be verified with documentation, will not count against the student's attendance totals.

Any student who is absent from school for all or part of the day without a legitimate excuse shall be considered truant and the student and his/her parent/guardian shall be subject to the truancy laws of the state.

### **Tardiness**

Each student is expected to be in his/her assigned location throughout the school day. If a student is arriving late to school, she/he is to report to Student Services before proceeding to his/her first assigned location.

A tardy is defined as not being in the assigned area at the beginning of the class period but arriving within 10 minutes of the beginning of the period. Students arriving after the 10 minutes will be marked absent.

### **Vacations**

Vacations taken during the school year are highly discouraged and may adversely affect the student's ability to generate credit towards graduation. Each day of vacation counts toward the total days for the semester and may jeopardize the student's grade and/or credit.

Students who exceed the attendance policy will be required to complete the forms and documentation within the window of time provided near the end of each semester.

### **Make-Up Work**

When a student is absent, it is the student's responsibility to arrange for makeup work. Make-up work should be completed within the same number of school days as he/she was absent unless special arrangements have been made with each teacher.

### **Loss of Credit due to Absences**

Attendance is considered an essential component in determining whether a student has earned credit towards graduation, and credit might not be earned because of excessive absenteeism.

When a student accumulates five (5) absences (excused or unexcused) in a semester, the parent will receive a letter documenting the days absent. Parents will continue to receive letters documenting the student's absences if the student's attendance does not improve.

Only ten (10) absences in any class per semester are allowed. During the semester, a student who accumulated more than ten (10) total absences (excused or unexcused) in a class will be notified by the Assistant Principal of a loss of credit in that class. If the student should improve his/her attendance and continue to do the regular classroom work, after receiving the 11<sup>th</sup> absence, he/she will have the right to appeal to the building administration at the end of the semester.

The student will remain in the class for the remainder of the semester and may appeal the loss of credit to the building administration. If it is determined that the credit will be lost, the student will receive an "H" if passing or a grade "F" if failing. During the remainder of the class, if a student continues to have attendance problems or proves disruptive, the student will be disciplined according to the Code of Conduct.

## Appeal Process

A student impacted by the attendance policy has the right to appeal. The appeal procedure for the attendance policy requires the following:

1. Obtain and Attendance Appeals form.
2. Complete the form, have a parent/guardian sign it, attach supporting documentation, and return it to the Assistant Principal.
3. If requested, meet with the Assistant Principal.

## CELL PHONE/ELECTRONIC DEVICE POLICY

Due to the disruptive and distracting nature of cell phones in the learning process, the following policies will be in effect immediately. These policies should give students, staff and parents a more consistent idea on appropriate cell phone use and consequences for inappropriate use.

Possession of a cellular telephone or personal electronic device by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege. Unauthorized use of cellular phones or other personal electronic device is subject to disciplinary action.

1. Cell phones are to be off and out of sight in the building except in the Commons before school and during lunch. You may use your phone in the building after the 3:00 dismissal bell. If the cell phone is in sight at any other place/time, it will be confiscated (whether being used or not). If the cell phone rings during class while out of sight, it will also be confiscated.
2. Cell Phones and other electronic devices may only be used in the classroom for educational purposes if permission is granted by the teacher. All acceptable use policy provisions apply to any personal electronic devices used at the school.
3. If a student is using a cell phone without permission it will be promptly confiscated and turned into Student Services. If your phone is confiscated, the following consequences will occur.

**First offense:** Student can pick up phone at the end of the school day (3:00) – student will be issued one after school detention.

**Second offense:** Student will be issued three after school detentions, and parent must come in to pick up phone.

**Third offense:** Student will receive a one-day in-school suspension and lose all cell phone privileges for the remainder of the year.

If the student is in possession of a phone after his/her third offense, they will receive a three-day out of school suspension.

**If a student refuses to give any staff member a cell phone upon request, the student will move to third offense immediately and be suspended and lose all cell phone privileges for the remainder of the year.**

**HATS ON IN THE BUILDING WILL BE TREATED THE SAME AS A CELL PHONE VIOLATION.**

## DETENTION PROCEDURES

1. Staff will issue detention with date TO BE SERVED on detention and give student yellow copy. White copy will be sent to Student Services – **Call should be made home to parents on all detentions!**
2. Student will not be allowed into detention without yellow copy signed by parents. Failure to serve detention on assigned date without contacting Administration will result in two night's detention and a call home from administration.
3. Failure to serve either of the double detentions will result in an in-school suspension which will result in a 3% grade reduction.

## MARYSVILLE PUBLIC SCHOOLS DISTRICT POLICY 8260 PROHIBITING BULLYING

### **8260 Bullying (Cf. 8018) 8260**

It is the policy of the District to provide a safe and nurturing educational environment for all of its students.

This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior. Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

Bullying shall also include, by definition, cyber bullying which is defined as any electronic communication that is intended to or that a reasonable person is likely to harm one or more pupils either directly or indirectly by doing any of the following:

- (i) substantially interfering with the educational opportunities benefits or programs of one or more pupils;
- (ii) adversely affecting the ability of a pupil to participate in or benefit from the school district's or public school's educational programs or activities by placing the pupil in reasonable fear of physical harm by causing substantial emotional distress;
- (iii) having an actual and substantial detrimental effect on a pupil's physical or mental health;
- (iv) causing substantial disruption in or substantial interference with the orderly operation of the school.

#### **8260 Bullying (Cf. 8018) 8260-2**

This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

##### **Notification**

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parents/Guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any complaint or investigation as well as the results of the investigation to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, confidentiality will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

##### **Implementation**

The Superintendent is responsible to implement this policy, and may develop further guidelines, not inconsistent with this policy.

#### **8260 Bullying (Cf. 8018) 8260-3**

This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

##### **Procedure**

Any student who believes he/she has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or Assistant Principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building Principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. Reports may be made anonymously, but formal disciplinary action may not be taken solely on the basis of an anonymous report.

To the greatest extent possible, complaints by students, their parents or others acting on their behalf will be kept confidential. The following procedures will be followed to maintain confidentiality:

- (i) all verbal communications regarding a complaint will occur in a confidential setting outside of the ability of others to overhear the conversation and only those that are necessary to be involved will be part of any meeting where complaints are discussed or reviewed;
- (ii) meetings held with a pupil who has made a complaint under this policy shall be kept out of view of other students;
- (iii) all records concerning complaints will be kept in the principal's office in his or her desk in a secure location such that the information cannot be accessed by others;

#### **8260 Bullying (Cf. 8018) 8260-4**

(iv) information regarding complaints will be shared with others only on a need to know basis. This means only individuals involved in investigating complaints or taking corrective action will be aware of the information;

(v) to the extent possible, unless permission is given by the complainant, the identity of the complainant will be kept confidential.

The Principal shall promptly investigate and document all complaints about bullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made.

If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents/guardians, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board on an annual basis.

##### **Non-Retaliation/False Reports**

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated.

#### **8260 Bullying (Cf. 8018) 8260-5**

Suspected retaliation should be reported in the same manner as bullying/aggressive behavior. Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

##### **Definitions**

Students may be required to change clothing before returning to class. Disciplinary action may be taken for any failure/refusal to comply with these guidelines.

Relative to those individuals and/or groups representing the High School with their involvement on athletic teams, musical groups, etc., the school reserves the right to establish more definite dress expectations.

If the time arises when a tornado threatens student safety, students are expected to give their undivided attention.

As quickly as school administrators become aware of a tornado watch (the potential for a tornado exists) they monitor the situation closely. If a watch is in effect, as school lets out, students will be allowed to leave at 2:50 p.m. and buses will run as scheduled.

If the area is under a tornado warning situation, regardless of the time of day, *no student will be allowed to leave and buses will not run*. If this occurs at the end of a day, students will be expected to remain in the building until the warning has expired. There can be no student movement from the building during a tornado warning (this is the law).

In the event the area is under a tornado warning, it means that a tornado has been sighted and we may be in its path. *All persons in the high school building shall report, in an orderly fashion as prescribed over the public address system, to the lower level and remain there until the warning has passed.*

Parents wishing to take their students from the building may do so by contacting, in person (not via the telephone), the administrator in charge of the high school during the warning.

Due to the highly destructive and deadly nature of tornadoes it becomes necessary to expect the utmost cooperation from all present in the building during such events.

1. A fully-functioning instrument will be loaned to the student upon the payment of a \$20 user fee. This instrument will be sanitized and in workable condition prior to being issued.
2. Each student will keep the instrument clean, polished and free from dents, cracks, and/or scratches.
3. I (the user) will pay all repair costs while the instrument is on loan.
4. Upon completion of the school year, I (the user) will return the instrument promptly to the director in the same working order that it was received.
5. I (the user) will not loan the school-owned instrument to anyone and will not allow anyone to handle the instrument.
6. I (the user) understand that the school authorities and/or the director of bands can request that the equipment be returned any time during the school year if the loan agreement is not being adhered too.
7. If the instrument is not returned at the completion of the school year, I (the user) understand that all replacement costs incurred will become the student's sole responsibility.

## **TELEPHONE CALLS**

Students *will not* be allowed to use the telephone during class time except for an emergency. Students may only receive emergency calls as determined by the high school staff.

The phones in the school offices are *not* to be used for calls without permission.

## **SNOW DAY/FINAL EXAM POLICY**

If school is cancelled on a day of a final exam(s), the first day of school, following the cancellation, students will take the final exam(s) that were originally scheduled on their first snow day.

## **LOCKS AND LOCKERS**

Lockers in the school or on school property belong to the school. At no time do they become property of the student. Students should not expect privacy in these areas because the school district retains the right to search them at the discretion of the school administration, and to seize any illegal, unauthorized, or contraband materials discovered in the search.

Periodic searches of these areas may be conducted by school officials, with or without the assistance of law enforcement officers, at any time, with or without notice to the students. No consent or search warrant is required for inspection of these areas. For the purposes of this policy "search" includes, but is not limited to visual inspection, physical inventory of contents, sniff by contraband detecting dog or other animal or by electronic device, photography of all sorts, electro-magnetic photography of all sorts, and inspection by electro-magnetic sensors of all sorts.

Every reasonable attempt shall be made to afford the student the right to be present during the search. However, when safety concerns are the issue, the school reserves the right to make a search without the student being present or with a police officer if the student is present.

A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g. purse, book bag, athletic bag) may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. If a properly conducted search yields illegal or contraband materials, such finds shall be turned over to proper legal authorities for ultimate disposition.

Each student is responsible for and is expected to occupy the locker to which he or she is assigned. Locks can be obtained from Student Services. Gym locks and lockers may be obtained through the Athletic Office. A \$5.00 charge is collected for any lock not returned. It is also recommended that the students leave large sums of money and expensive personal property at home.

Each student has been assigned one locker.

*No tape of any kind* is to be put on the lockers. No Locker Signs will be allowed without request for approval to the principal and permission granted in writing.

Damage resulting from too many articles in the locker or abuse to that locker, is the responsibility of the student assigned. Payment for damage will be expected before credits for the year are granted.

### **LUGGAGE CHECK**

The safety, well-being and enjoyment of students, as they relate to all trips, are the focus of this policy/procedure. When students participate in school related activities and luggage is required, the luggage may be subject to be searched/checked. As per below:

A student's person and/or personal effects (e.g. purse, book bag, athletic bag, luggage) may be searched/checked whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized.

In addition, the administration and/or respective teacher, advisor, or coach may determine if and when any search would take place. Factors of consideration, which may be included with regard to, planned checks:

- \* Length of trip (days)
- \* Length of trip (miles)
- \* Number of students attending
- \* Number of chaperones
- \* Detail of accommodations (student/chaperone room locations)
- \* Prior knowledge of potential problems

Guidelines for all searches/checks:

- \* Searches/checks to be overseen by the respective teacher, advisor, or coach
- \* Females luggage will be checked by female adults
- \* Males luggage will be checked by male adults
- \* The student is present
- \* The student will open his/her own luggage
- \* The student will maneuver his/her own belongings
- \* Planned searches be fully communicated to students and parents
- \* A timeline for the completion of the search be established

If, for any reason, luggage is found to contain articles/items that are illegal by rules as outlined in the Student Handbook, Marysville School District Policies, or by the law, the student will not be allowed to take the trip and will be referred to the school administration.

### **CLUBS AND ORGANIZATIONS**

It's a privilege to participate in extra curricular activities. Appropriate conduct/behavior should not be the domain of strictly the athlete and should encompass and embrace *all activities* affecting students.

### **LIBRARY**

The use of the library is under the direction of the Media Specialist. Books, newspapers, current magazines, pictures, pamphlets, records, Internet access, are all available for student use.

Articles may be checked out, but must be returned before the \$10.00 book deposit will be returned at the end of the school year. While in the library, all students should respect the rights of others to study or read in a quiet atmosphere.

### **MILITARY RECRUITERS/HIGHER EDUCATION INSTITUTIONS**

Upon requests from military recruiters and/or higher education institutions, schools must provide junior and senior names, addresses, and telephone numbers as per federal law, unless parent objects to such release. Please contact Marysville High School at 364-7161 if you would like to have your son/daughter's name and information taken off the list.

## RIGHT TO REVIEW RECORDS

Students and parents/guardians have the right to review and examine official records held by the school concerning that student. A one (1) day notice may be required for such an examination.

## CONCUSSION

New legislation intended to protect young athletes from sports-related concussions mandates public school districts provide educational materials regarding concussions to all students and parents/guardians of students participating in a practice, a competition, or a physical education class. Accordingly, the following important information is shared with our school community. Please be sure you read this information with your child. Parents and students must sign and return acknowledgement of this educational material starting with the 2013-14 school year. The acknowledgement form will be provided by your school office.

#### UNDERSTANDING CONCUSSION

##### Some Common Symptoms

Headache	Balance Problems	Sensitive to Noise	Poor Concentration	Not "Feeling Right"
Pressure in the Head	Double Vision	Sluggishness	Memory Problems	Feeling Irritable
Nausea/Vomiting	Blurry Vision	Haziness	Confusion	Slow Reaction Time
Dizziness	Sensitive to Light	Fogginess	"Feeling Down"	Sleep Problems
		Grogginess		

#### WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a "ding", "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven't been knocked out.

You can't see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to play on the day of the injury and until a health care professional says they are okay to return to play.

#### IF YOU SUSPECT A CONCUSSION:

1. SEEK MEDICAL ATTENTION RIGHT AWAY – A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don't hide it, report it. Ignoring symptoms and trying to "tough it out" often makes it worse.
2. KEEP YOUR STUDENT OUT OF PLAY – Concussions take time to heal. Don't let the student return to play the day of injury and until a health care professional says it's okay. A student, who returns to play too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal. It is better to miss one game than the whole season.
3. TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION – Schools should know if a student had a previous concussion. A student's school may not know about a concussion received in another sport or activity unless you notify them.

#### SIGNS OBSERVED BY PARENTS:

- |                                            |                                                       |                                                |
|--------------------------------------------|-------------------------------------------------------|------------------------------------------------|
| - Appears dazed or stunned                 | - Can't recall events prior to or after a hit or fall | - Answers questions slowly                     |
| - Is confused about assignment or position | - Is unsure of game, score, or opponent               | - Loses consciousness (even briefly)           |
| - Forgets an instruction                   |                                                       | - Shows mood, behavior, or personality changes |
| - Moves clumsily                           |                                                       |                                                |

#### CONCUSSION DANGER SIGNS:

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- |                                   |                                  |                                                            |
|-----------------------------------|----------------------------------|------------------------------------------------------------|
| - One pupil larger than the other | - Repeated vomiting or nausea    | - Becomes increasingly confused, restless or agitated      |
| - Is drowsy or cannot be awakened | - Slurred speech                 | - Has unusual behavior                                     |
| - A headache that gets worse      | - Convulsions or seizures        | - Loses consciousness (even a brief loss of consciousness) |
| - Weakness, numbness, or          | - Cannot recognize people/places |                                                            |

**HOW TO RESPOND TO A REPORT OF A CONCUSSION:**

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a health care professional experienced in evaluating for concussion. During recovery, rest is key. Exercising or activities that involve a lot of concentration (such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rest breaks, be given extra help and time, spend less time reading, writing or on a computer. After a concussion, returning to sports and school is a gradual process that should be monitored by a health care professional.

Remember: Concussion affects people differently. While most students with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

**FERPA Notice: Your Rights and Your Child's Records**

**The Family Educational Rights and Privacy Act (FERPA) afford to parents/guardians of students, and to students themselves who are over 18 years of age certain rights with respect to the student's education records maintained by the Marysville School District. These rights are outlined below:**

1. The right to review and inspect the student's education records within 45 days of the day the district receives a written request for access. Parents or eligible students should submit to the school principal a written request that identified the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the district to amend a record they believe is inaccurate or misleading. They should write the Superintendent of Schools clearly identifying the part of the record they want changed and specify why it is inaccurate or misleading. If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their rights to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right, to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent is to school officials with legitimate educational interests. A school official includes a person employed by the district as an administrator, supervisor, instructor, counselor, support staff member (including health or medical staff and law enforcement personnel) a person serving on the district's school board, a person or company with whom the district has contracted to perform a special task such as an attorney, auditor, medical consultant, or therapist, or a parent, student or other person serving on an official committee, such as a disciplinary or grievance committee or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her responsibilities for the district. Upon request, the district also discloses education records without consent to officials of a school district in which a student seeks or intends to enroll. If you do not want the school district to disclose directory information without your prior written consent you must notify the district prior to September 15th. The district has designated the following as directory information:
  - Student's name
  - Participation in officially recognized activities and sports
  - Address
  - Telephone listing
  - Weight and height of members of athletic teams
  - Photograph
  - Degrees, honors and awards received
  - Date and place of birth
  - Dates of attendance
  - Grade level
  - Program of study
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirement of FERPA. The name and address of the office that administers FERPA is the Family Policy Compliance Officer, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 2002-4605.

## **Student Privacy Notice and Consent/Opt-Out for Specific Activities**

The Protection of Pupil Rights Amendment (PPRA), 20 USC § 1232h, requires the Marysville Public Schools District to obtain consent or allow you to opt your child out of participating in certain school activities, including a student survey, analysis, or evaluation in an applicable program that concerns one or more of the following eight areas (“protected information surveys”):

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as lawyers, physicians, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parent/guardian; or
8. Income, other than as required by law to determine program eligibility or financial assistance.

This opt-out right also applies to the collection, disclosure, or use of student information for marketing purposes (“marketing surveys”) and to certain physical exams and screenings.

At this time, there are no activities requiring parent/guardian notice and consent or opt-out for the upcoming school year scheduled. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 or older or an emancipated minor under Michigan Law). If any activities are scheduled you will be notified and have the opportunity to opt your son/daughter out of participating.

### **FIRE ALARMS**

When the fire alarm sounds, everyone should exit the building immediately.

Students should not risk lives by assuming the alarm is false or only a practice. Accidents do happen. If by chance an alarm is accidentally set off, go to the office immediately and convey the information so that the alarm can be stopped and people returned to the building. Pulling an alarm, unnecessarily, is dangerous and will result in punishment to those involved. A police report will be filed and prosecution considered.

### **AMBULANCE SERVICE**

Fees charged are for services rendered and all patients receiving emergency medical care and transportation are billed for these services. The term “all” refers to any patient, either inside or outside the City of Marysville.

Every effort will be made to contact parents prior to emergency transportation. However, the safety of the child will remain the top priority resulting in the use of the city’s emergency units in any case where the health and welfare of a child is in peril.

### **SCHOOL BUS**

Student conduct on school buses will be in conformity with the rules and regulations established by the Marysville Public Schools and the bus contractor. Bus drivers have the delegated authority to control students on buses. To ride home on another bus, a phone call or written permission is required and the student will need to acquire a bus pass from Student Services.

Students riding on buses to school sponsored activities must return by the same bus. The privilege of riding a bus may be revoked for misconduct or refusal to comply with established rules and regulations. The school bus will be considered an extension of the school for disciplinary purposes.

### **BUS PICK UP/DROP OFF**

The bus loop is for the bus pick up/drop off of students. All other vehicles are prohibited from the bus loop from 7:00 a.m. – 3:30 p.m.

### **FINANCIAL TRANSACTIONS**

*Before school, during their lunch hours, and after school* are times that students can complete financial transactions.

If you have a debt to pay, a ticket to buy, money to turn in for a project, etc. you should do this at the above stated times.

### **WORK PERMITS**

Working papers are necessary for all students under the age of 18. The Work Permit and Age Certificate will be issued to any minor 15-17 years of age. These papers are available in the main office.

### **VISITORS**

All visitors must report to the office. Students wishing to escort visitors through the school must request permission to do so (24 hours in advance) through Student Services, prior to the visit. Permission will be granted, in writing, on an individual basis.

### **ELEVATOR USE**

The elevator is for use by students with physical disabilities, moving equipment and emergency use. Keys are available in Student Services on a need basis. Students obtaining a key will be responsible for the key. A fee will be charged if the key is not returned.
