ENROLLMENT APPLICATION OF NON-RESIDENT CHILDREN OF EMPLOYEES (PA-227)

Public Act 227, which was passed in 2004, states that a district may enroll and count in membership, without a release from the resident district, the children of district employees who reside in another Michigan school district. District employees who live outside the Marysville School District attendance area may use this form to request attendance within our District. Application will be reviewed and placement will be determined in accordance with District Policy.
